### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

The closest prior art, Buxton et al., do not teach liquid dosage form comprising first and second flavors, wherein the second flavor is in the form of flaked films. The present specification showed that the customized flaked films flavor unexpectedly reduced the aftertaste of Children's Tylenol®, provided a significantly longer lasting flavor experience, and enhanced the overall palatability of Children's Tylenol® suspension, leading to a more likeable taste.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Claims 1, 2 and 5-22 are allowed.
